‘Why can’t I have T3 doctor. When it comes to sex, many of us are aware of our anatomy but we often over-simplify what goes on beneath the surface of our bodies. When it comes to sex, many of us are aware of our anatomy but we often over-simplify what goes on beneath the surface of our bodies. I feel so much better when I do. Here is an imagined, but not far off the truth, conversation between a doctor and a patient. Chronic stress can wear down the adrenal glands, which some researchers think may be involved in the development and propagation of Chronic Fatigue Syndrome. ‘Why can’t I have T3 doctor.
